

WHY CHOOSE US?

Industry Leaders with Domain Expertise

Digitization across Business Processes

Focus on delivering Return-on-investment

Unmatched Customer Experience

"CUSTOMER SPEAKS"

CONCAT has been a true partner providing us virtual CFO, legal & secretarial services since our inception. They have guided us in ensuring statutory compliance for running business in India.

We developed a great partnership with CONCAT and their dedication to our business valuation activity, ERP system website development. We appreciate their attention to detail and creative approach to problem solving. Great team to be work with .

We are CONCATORS

CONCAT is a leading consulting company for Cross-Functional Business Outsourcing, Consulting and Execution. We understand business & curate tailor-made solutions by weaving together the right strategy, execution and technology, within a budget and timelines. The CONCAT stamp ensures transparency, trust & commitment.

OUR SPECIALISED SERVICES

Virtual CXO Services

Concat vCXO's are industry leaders and domain experts with proven track record, who take up the responsibility for your business functions' strategy, governance & optimization at a fraction of the cost as against the full-time business leaders.

The vCXO's operate virtually as your C-level leadership in the following functions, namely - Chief Executive Officer (CEO), Chief Finance Officer (CFO), Chief HR Officer (CHRO), Chief IT Officer (CIO/ CTO), Chief Sales Officer (CSO), Chief Marketing Officer (CMO), Chief Customer Success Officer (CCSO)

Shared Services (Outsourcing of business activities)

Business outsourcing & centre of excellence services for your functions & processes through our domain specialised teams to bring structured processes, improve operational efficiencies and delivery TATs.

Key functions we specialise in shared services - Finance | Legal, Secretarial & Compliances | HR & Payroll | IT & Cyber Security | Sales, Marketing & Customer Success

Start-up Advisory

Start-ups are crucial for India's growth as they drive innovation, create employment opportunities and contribute to economic development.

We support Start-ups across their lifecycle from Business registration, Legal & compliance, Government schemes, Business modelling, Financial valuation, Pitch-deck curation, Capital Raise, Organization Scaling, Business outsourcing, Technology enablement and Exit strategy.

"We power transactions that are not your core and digitization is at the heart of everything we do."
